1. DESCRIPTION OF PROCEDURES

1.1 NOTES

Istrana Sp. z o.o. ("the Client") intends to construct Project T5 relating to Baltic Hub Terminal in Gdansk ("the Project"), therefore, it was necessary to use the BHCT infrastructure in terms of accessibility and the possibility of travel to the T5 construction site.

1.2 SCOPE OF DUTIES OF A CONSULTANT

The Consultant is obliged to familiarize himself with and comply with the procedures contained in the agreements between BHCT and Istrana and to enforce these procedures from the Contractor of the T5 terminal.

1.3 RELATED PROCEDURES

The Customer shall provide the following documents as indicated in clause 1.2:

- a) T5 Installation Terminal Access Agreement – TBC
- b) <https://baltichub.com/dla-kierowcy/szkolenia-i-bezpieczenstwo>
- c) https://e-awizacje.dctgdansk.com/#/training?name=podwykonawca_kurier
